

### SealBoss® CanSeal Foam

#### Waterproofing

- Cable Runs, Instant Backer Rod
- Seals electrical conduits
- Utility Boxes, etc.
- Seals around pipes/ducts
- Increases energy efficiency
- Reduces noise
- Controls radon
- Seals out insects
- Confines fibers
- Strengthens tub bases
- And much, much more...

### The Important SealBoss® Difference

**SealBoss® CanSeal Foam** is engineered to fully expand inside the applicator 'gun barrel'. When the foam exits the tip of the gun it is almost fully expanded - you apply exactly as much foam as you need without the messy and undesired "mushrooming" experience you may have with most of the other 'over the counter' foam products.

This feature makes our foam predictable and suitable for many applications that cannot be performed with standard foam products.

**With our foam and the professional applicator gun you can fill voids precisely. Contractors use our foam for many applications such as water-stop purposes in voids and cable runs, as an insulation and seal-foam in general construction and as an instant 'Backer Rod Bead' in applications where joints need a back fill prior to applying the final sealant.**

#### TYPE OF MATERIAL

SealBoss® CanSeal Foam is a closed cell, self-curing foam for universal uses. The product is a single component MDI based polyurethane of highest quality. It expands, bonds and seals while stopping the passage of air, gases, water and dust. Besides its obvious uses to stop water infiltration it can increase energy efficiency by stopping air exchange around windows, doors, wall intrusions and at sill plates. Its lightweight, closed cell structure makes it useful for deadening sound, flotation and thermal insulation. It is also useful for scaling work areas prior to stripping to prevent the transport of fibers.

**Limited Warranty Policy and Disclaimer for Products Supplied and/or Distributed by SealBoss Corp.:** SealBoss Corp. Products are for Professional Use. All recommendations, statements and technical data herein are based on tests we believe to be reliable and correct, but accuracy and completeness of said tests are not guaranteed and are not to be construed as a warranty either expressed or implied. User shall rely on his or her own information and tests to determine suitability of the product for the intended use and user assumes all risk and liability resulting from his or her use of the product. Nothing contained in any supplied materials relieves the user of the obligation to read and follow the warnings and instruction for each product as set forth in the current Technical Data Sheet, product label and Safety Data Sheet prior to product use. SealBoss Corp. warrants supplied / distributed products to be free of manufacturing defects. Seller's and manufacturer's sole responsibility shall be to replace that portion of the product of the manufacturer which proves to be defective. There are no other warranties by SealBoss Corp. of any nature whatsoever expressed or implied, including any warranty of merchantability or fitness for a particular purpose in connection with this product. SealBoss Corp. shall not be liable for damages of any sort, including remote or consequential damages resulting from any claimed breach of any warranty whether expressed or implied. SealBoss Corp. shall not be responsible for use of this product in a manner to infringe on any patent or any other intellectual property rights held by others. In addition, no warranty or guarantee is being issued with respect to appearance, color, fading, chalking, staining, shrinkage, peeling, UV damage, excessive temperature exposure, normal wear and tear or improper application by the applicator. Damage caused by abuse, neglect and lack of proper maintenance, acts of nature and / or physical movement of the substrate or structural defects are also excluded from the limited warranty. SealBoss Corp. reserves the right to conduct performance tests on any material claimed to be defective prior to any repairs by owner, general contractor, or applicator. Neither seller nor manufacturer shall be liable to the buyer or any third person for any injury, loss or damage directly or indirectly resulting from use of or inability to use the product. Recommendations and statements other than those contained in a written agreement signed by an officer of the manufacturer shall not be binding upon the manufacturer or seller. SealBoss Corp. reserves the right to change the properties of products without notice.

Up to 8 gal Foam from one 27 oz Can

#### Features

- Professional Control Steel Gun Applicator
- Ozone Friendly
- High Volume From Small Can

#### Features

- No Cleaning
- Low Cost
- Unlimited Start Ups & Closures

#### Volume

- 8 to 9 Gal Foam
- 1800 Cu. Inches
- 1/2" Bead Runs 900 Lin. Ft

SealBoss® CanSeal Foam is very efficient, you get up to eight gallons foam just from one can!

Insulation Value: The product has an R-Value of about 4 to 8 depending on the thickness of the bead.

Sound: STC = 69

**The Commercial Grade Do It Yourself Kit includes:**

- 1 Professional Control Reusable Steel Gun Applicator with Plastic Extension Tube**
- 5 CanSeal Foam (27 oz)**
- Potential Foam Capacity 40+ gallons**
- 1 Data Sheet**
- 1 Pair Latex Gloves**
